Iowa State University
Greek Week 2022 Rulebook:
March 27th – April 3rd

Tradition Rewritten
The Sorority and Fraternity Community at Iowa State is full of friendships, pride, and traditions. One of the oldest lasting traditions is Greek Week. Greek Week gives the members of the Sorority and Fraternity Community an opportunity to come together and celebrate for a week of friendly competitions, events, and awards. During Greek Week, it is expected that all chapters compete with enthusiasm, integrity, respect, and pride.

Active participation in Greek Week is voluntary and is limited to those who are listed on each chapter's roster. All participants MUST complete the Greek Week waiver in order to participate in any Greek Week event.

Those outside of the Sorority and Fraternity Community are encouraged to attend the planned events and competitions, but competition is limited to Sorority and Fraternity members only.

All Rules are subject to interpretation by Greek Week Central with final say designated to the Executive Directors and The Office of Sorority and Fraternity Engagement Staff.

**Note:** Greek Week is a student-led initiative. Please remember you are representing the Sorority and Fraternity Community, Iowa State University, and the greater Ames community. We expect to see our community values in action at all times. Greek Week Central wishes you a week full of fun and friendly competition. Best of luck!
Greek Week 2022
Alcohol and Substance Policy

1. This policy will apply to all members of the Sorority and Fraternity Community.
2. All chapters with facilities are subject to their current alcohol policy in addition to the rules of Iowa State University, the laws of the City of Ames, and the state and the federal government—i.e. CPC organizations shall have no alcohol on their premises at any time, IFC organizations will conduct their behavior in alignment with their assignment of being alcohol-prohibited, alcohol-restricted, or alcohol-permitted.
3. Chapters without a facility are subject to the rules and regulations of their local chapter bylaws, national organization policies, Iowa State University, state and federal law, and the premises which they are on at any given time.
4. Organizations may register functions. All functions must be registered appropriately (e.g. The Office of Sorority and Fraternity Engagement). Any function found to be unregistered may result in one or more chapters being charged as such through their respective council or the university. All event registration rules apply regardless of alcohol involvement or not.
5. Teams that host unregistered events at the conclusion of Greek Week are still subject to point deductions and if necessary, will be required to forfeit any titles and trophies.
6. Individuals who are of age (21) may choose to responsibly consume alcohol at registered events, bars, restaurants, etc. All state and federal laws apply.
7. All Greek Week events are alcohol and drug free and no substances may be brought to a Greek Week event at any time.
8. If any individual is found during or after Greek Week to have knowingly contributed to the concealment of an unregistered event or underage alcohol consumption or distribution, it will be encouraged that they are charged through the appropriate channel(s)- Chapter Standards Boards, Office of Sorority and Fraternity Engagement, and the Office of Student Conduct.
9. Regardless of age, if an individual is suspected to be intoxicated or under the influence of drugs at a Greek Week event, any member of Greek Week Central may ask that individual to leave.
10. Regardless of age, if an individual is suspected to have alcohol, or be responsible for the intoxication of underage students at a Greek Week event—any member of Greek Week Central may notify Greek Week Executive Directors, and a member of Greek Week Central will remain with that individual until the ISU or Ames police can be called.
Greek Week 2022
Alcohol and Substance Policy

ALCOHOL AND SUBSTANCE VIOLATION CONSEQUENCE

10. A team’s first alcohol or substance violation will result in a deduction of 400 points from the individual’s team’s current total Greek Week point accumulation. A team’s second violation will result in a deduction of 500 points from the individual’s team’s current total Greek Week point accumulation. A team’s third alcohol or substance violation will result in the individual’s team being disqualified from all Greek Week competitions. Additionally, the Greek Week Team Co-Chairs will be called to an immediate conference with the Office of Sorority and Fraternity Engagement staff and Greek Week Executive Directors.

11. If any member of Greek Week Central, Crew, or Chapter Leadership knows an individual is violating rules 1-9 of this policy, they are responsible for notifying the Greek Week Adviser and Executive Directors. Failure to notify will result in the following consequences: a reprimand from the Office of Sorority and Fraternity Engagement, a conference call with national organization representatives for Chapter Leadership, and immediate removal from office for Greek Week Central or Crew members. If a Greek Week Crew member is removed from office, the team will lose the points for that member’s participation.

12. If any team is issued a second alcohol violation for any reason listed in this policy, the Greek Week Executive Directors and Office of Sorority and Fraternity Engagement staff will immediately disqualify the entire respective team from Greek Week 2022.
Greek Week 2022

Sportsmanship & Inclusion Policy

1. This policy will apply to all members of the Sorority and Fraternity Community.
2. Greek Week Teams are responsible for the conduct and actions of their members.
3. Unsportsmanlike conduct will not be tolerated at any time before, during, or after Greek Week (including both spectators and participants).
4. Unsportsmanlike conduct may refer to, offensive slurs and/or language, taunting, assault, or any other conduct deemed inappropriate by Greek Week Central or The Office of Sorority and Fraternity Engagement Staff.
5. Equal inclusion of participating chapters is required (i.e. engagement and decision making for the team, representation and participation in events, etc.).
6. Should a chapter wish not to participate in a particular event(s) with their respective team, documentation must be submitted in writing (emailed to gwced@iastate.com) to the Greek Week Executive Directors before the event begins by the particular chapter wishing not to participate. Submitting this documentation will prevent their respective team from violating the Inclusion Policy or potential point deductions in the particular Greek Week event (e.g. tournaments).
7. Should a member, group, or chapter feel they are not being equally included in the team, these particular individuals should report this to the Greek Week Executive Directors or SFE Staff. Approaching SFE Staff or Greek Week Executive Directors will remain confidential.
8. SFE Staff, Greek Week Executive Directors, and Greek Week Central will be monitoring sportsmanship and inclusivity at all Greek Week sponsored events including leading up to Greek Week (including content posted on social media).
9. Should a Sportsmanship or Inclusion Policy violation occur, the respective team co-chairs will be notified and a conference with Greek Week Executive Directors and SFE Staff will occur at the earliest convenience, or the team co-chairs will be approached at the respective event and informed that the particular behavior(s) will not be tolerated.
10. If a serious violation occurs, Greek Week reserves the right to deduct 300 points from the current total Greek Week point accumulation of the respective team (discretion of the Greek Week Executive Directors and SFE Staff).
11. Any unsportsmanlike conduct that is in violation of university policy will be reported to the appropriate university departments who will conduct their own investigations, including but not limited to: Title IX, Equal Opportunity, and the Office of Student Conduct.
12. Particular events of Greek Week (e.g. tournaments) may have additional consequences for these violations mentioned above. Please refer to the particular Greek Week event in the Rulebook for further explanation.
13. Three violations will result in the entire team being disqualified from Greek Week 2022. Each violation will be documented and shared with the team co-chairs as well as SFE Staff and appropriate university officials.
14. If a violation of this policy is reported after Greek Week, Central reserves the right to retroactively deduct points from the team’s total score, including revocation of awards presented at Greek Week awards.
15. Example violations of this policy would include inappropriate “themes” for Lip Sync practices, offensive language in group chats, behavior which excludes any chapter from the team, etc.
Greek Week 2022 Information

Waivers:
Online waivers will be utilized for participation in this Greek Week 2022. If participants do not have their waiver completed by the time of an event, they will not be able to participate in that event. If Lip Sync participants do not have their waiver completed by the time of the team CY Stephen’s run through, they will not be able to participate in Lip Sync. No late waivers will be accepted after that time.

Electronic Rosters:
The Chapter’s Odysseus roster will be used to determine participation counts and dues for all active members (study abroad and other circumstances should be noted in Odysseus). Chapter Presidents and Team Co-Chairs will receive an email on February 14th reminding them to update Odysseus by Friday, February 18th at 5:00 PM. After 5:00 PM Friday, February 18th, Odysseus rosters will be final (i.e. no amendments will be made, no exceptions will be granted). If a new member signs a bid of membership after the deadline, they may be added to the team’s roster by notifying gwced@iastate.edu and gwcfiscal@iastate.edu of their addition. The chapter will be charged for the addition of new members at the original per-member dues fee. Note: the check in computer system at Greek Week events will only accept those with “active” identification on the respective chapters’ Odysseus roster.

Dues:
Chapters will be charged dues according to the posted Odysseus roster as of 5:00 PM on February 18th. After this time, additions to the roster will be charged a 25% late fee. No refunds will be granted to chapters. Dues shall be turned in to the Fiscal Director’s mailbox in the Office of Sorority and Fraternity Engagement by Friday, March 7th at 5:00 PM. Dues turned in after March 7th at 5:00PM are subject to a 10% late fee. Checks are the ONLY accepted payment form. Please make checks out to Iowa State Greek Week. For a chapter to participate in Greek Week events, a full payment of dues must be made by Sunday March 27th (late fees will still apply).

Safety:
Safety is a priority for Greek Week Central. We ask that all participants use caution while competing in Greek Week events. Additionally, Greek Week Central asks that all spectators view events in a manner that is safe for both them and the participants. If spectators must move in order to ensure their safety or the safety of the participants Greek Week Central will ask them to move. Failure to abide with Central’s request may result in point deductions or other consequences. Examples of this include but are not limited to: sitting on chapter facility roofs, riding on top or on the back of cars or trucks, and hanging out of windows.
Greek Week 2022
COVID-19 Policy

If required by the University or Event Authorization Committee to do so, Greek Week Central reserves the right to enforce this policy at any point at their discretion after notifying General Co-Chairs.

1. All members of the Sorority and Fraternity Community must always wear a face covering during any Greek Week sponsored event.
2. This policy will apply to all members of the Sorority and Fraternity Community.
3. All chapters with facilities are subject to their current COVID-19 policy in addition to the rules of Iowa State University.
4. Chapters are subject to the rules and regulations of their local chapter bylaws, national organization policies, Iowa State University and the premises which they are on at any given time.
5. A team’s first face mask violation will result in a warning. A team’s second violation will result in a deduction of 200 points from the individual’s team’s current total Greek Week point accumulation and a meeting with the Greek Week Executive Directors. A team’s third mask violation will result in a deduction of 400 points from the individual's team's current total Greek Week total accumulation and a meeting with the Greek Week Executive Directors. A team's fourth mask violation will result in a conference with the Office of Sorority and Fraternity Engagement staff and Greek Week Executive Directors and disqualification.
6. Fans and those allowed to come to different events will be determined by individual directors for said event.
7. Fans at events do represent the team that they are a part of. Spectators who do not wear a mask will result in their team’s deductions.

REMINDER: If you are feeling sick in any way, please DO NOT come to any Greek Week events.

For each scoring section, the team’s points earned in that section is evaluated as a percentage of the best scoring team. That percentage will then be multiplied by the maximum possible points in the section to find the team’s score. (ex. If Team A earned 180 of the 270 points possible in spirit events and the best scoring team in the spirit section earned 200, Team A would have earned 90% of the best team’s score. Therefore, Team A would have a resulting score of 243 for spirit and Team B would have a resulting score of 270 = the worth of the spirit section.)

• Fundraising closes on Friday, April 1st, 2022, at 10 pm.

Teams can earn up to 130 points through fundraising and 130 points through plunging. These two aspects of Polar Bear Plunge will be evaluated separately. The points earned for each section will be determined using the weighted scoring structure (each team's fundraising and plunge totals will be taken as a percentage of the best performing team, then multiplied by the 130 points possible for the section). The Greek Week Community Service Directors will distribute wish lists to each team's co-chairs on March 1st, 2021.

Each wish list will contain a list of items requested, as well as point values for each item. For the Day of Service, teams will sign up 20 members for one hour-long shifts on Monday, March 28th from 8:00-3:00 pm. For the Blood Drive teams will have the opportunity to sign up to donate blood, volunteer or participate in one of the humanitarian events the week of March 7th-9th from 10am-5pm.

Timeline:

- Sunday, March 27th 6:00pm-10pm Community Drive at Intramural Fields at Lied Recreation Center
- Monday, March 28th 8am-3pm Day of Service in the Memorial Union

Lip Sync: Scoring

Overall Scoring Procedures:
- Of the judges present, each will score teams from zero to 155 using the rubric provided.
- In case of tie, the team with the highest scoring in “Representation” will place first.
- In case there is still a tie from the team with the highest scoring in Representation, no scores will be dropped from final score.

Deductions:
- If any team receives a point deduction, they will be notified by email from the Lip Sync Co-Directors. General Co-Chairs from the respective chapters will also be included on emails regarding deductions.
- Any team that incorporates stereotypical, derogatory or offensive language/actions towards minority identities or cultures will be required to change that part of their show with approval subject to the Office of Sorority and Fraternity Engagement. A re-submission will be asked, and **points will be deducted** for late submission. If a team fails to change their show, a possible **disqualification** based on severity will applied to their final score. This will be assessed by the Lip Sync Directors, Executive Greek Week Directors, and SFE Staff.
- If a team’s skit, music, or dance moves are found to have been simulated or copied from any external source outside of the team, it will result in **disqualification** or **point deduction** depending on the severity of the offense. Appropriate penalty will be assessed by the Lip Sync Directors, Executive Greek Week Directors, and SFE Staff.
- Use of unapproved stunts will **result in a 3-point deduction**.
- If a skit is longer or shorter than the allotted time (6-8 minutes), it will result in a **deduction of points depending on the severity**.
  - Over or under 0-15 seconds: 1 point
  - Over or under 16-30 seconds: 3 points
  - Over or under 30+ seconds: 5 points
  - The deduction is **not cumulative**. For example, if a team is 28 seconds over the time span, then that will result in a 3-point deduction.
- If the set does not meet requirements, it cannot be used during the performance.
Tournaments

- Games will be two 10-minute halves with a two-minute half time.
- The clock will run continuously throughout the game.
- No time outs are permitted, with an exception for injured players. The referees may adjust time for injuries that substantially delay the game.
- The team beginning the game with the ball starts with a player throwing the football from their goal line. Other players may be anywhere else on the playing field.
- Substitution is allowed only after a point is scored.
- Players **substituting in** must enter at **midfield**. Players substituting out may exit the field anywhere.
- Treds is a non-contact sport. Physical contact should be avoided. Players may be removed from the game for roughness. Refs may stop play and call a penalty for roughness at their discretions.
- Plastic cleats are allowed if games are played outside.

- If the game is tied after regulation playing time, a 3-minute overtime will be played with possession being determined by Rock-Paper-Scissors. This process will continue, alternating possessions from the initial Rock-Paper-Scissors, with no breaks between overtimes except to restart the ball at a goal line, until the tie is broken.

Scoring:
- If a sorority member catches the ball in the end zone, it will be worth 2 points to the scoring team.

Tournaments: Treds

Offensive Rules:

- Any movement of the ball can only be made by throwing complete passes to another player. Handing off is not allowed.
- Passes may be thrown in any direction using an underhand or overhand motion.
- A player may not advance forward but can run laterally or backward when they have the ball.
- A player that runs backward may not return forward to their previous location.
- Offensive players in control of the football have 10 seconds to throw the ball. A referee begins a silent count until they reach 5 seconds and says, "stalling" and continues the count from 6 to 10 out loud. Taking more than 10 seconds to throw the ball results in a turnover.
- The thrower cannot hit at a defender, but they can measure space between themselves and the defender by using their non-throwing arm. Any roughness can result in a penalty and a turnover.
- A legal reception is one that is cleanly caught before hitting the ground.
- A catch made near the sidelines is considered a legal reception as long as the first step after the catch is made is inbounds.
- If a player’s momentum takes the player out-of-bounds after a legal reception, this result in a turnover and the other team will gain possession at that spot.
- If a player’s momentum carries them into the end zone, they will go back to where the reception was made and will continue the offensive drive.
- An offensive pass interference call will result in a turnover to the other team.
- A sorority member and fraternity member must have control of the ball at least once on each offensive drive. This will be signaled from the officials by raising their arm and a verbal notification of the touch.

Defensive Rules:

- A turnover occurs when the offense fails to complete a legal pass between teammates.
- Upon a turnover, the defending team takes possession at the spot where the ball hits the ground or at the nearest spot where the ball went out of bounds. Turnovers in the end zone start at the goal line.
- A defensive pass interference call results in the offense retaining possession at the spot of the foul.
- A defensive pass interference call in the end zone results in 1 point for the offense, and the defense taking over possession at their own goal line.
- A defender defending the thrower must be at least an arm’s length away from the thrower.

Olympics

**Information:**
Greek Olympics is a day to culminate the Greek spirit we have been celebrating throughout Greek Week. **Sportsmanship is required at all events.** Any instance where Greek Week Central feels the spirit of Greek Olympics is being challenged by unsportsmanlike conduct, Greek Week Central reserves the right to disqualify and remove from the competition area anyone who is not complying to the ideals of Greek Week and Greek Olympics. Safety is of the utmost concern throughout the day; at any time safety is in question, Greek Week Central reserves the right to intervene on the behavior and actions. This includes, but is not limited to, sitting on roofs of chapter facilities, hanging out of windows, crossing the street during events, and participating in reckless activity.

**Sportsmanship:**
- The Sportsmanship Policy will be utilized during all Greek Week events, including Olympics.
- Any behavior not conveying a positive experience for **ALL** attendees will result in a warning to the team
- A second incident will result in the team’s loss of points to the team’s total point value.
- A third incident will result in the team’s disqualification from Greek Week Olympics.

**Safety:**
Spectator safety is a main priority for Greek Week Central. We wish to ensure all spectators view events in the safest way possible. All spectators are required to view events from ground level or behind closed windows inside chapter facilities. There will be zero tolerance for spectators viewing from chapter roofs, hanging out of windows, etc. Chapters are permitted to have spectators view from inside their own facilities, but they must abide by the guidelines listed above. Greek Week Central requires this for the safety of the spectators and the liability of each chapter. Chapters unwilling to abide by these guidelines will receive a **5-point deduction** from their respective team’s overall Greek Olympics total points.

In the event of inclement weather on April 2nd, all events that day will be postponed until April 3rd. Each event will still be at the same time and location.

• At one end of the playing field the team stands with the empty bucket and two pitchers. On the other end will be a trough filled with water and a bat that will be firmly placed on the ground.
• Participants start by grabbing their two pitchers and running to the other end of their designated lane.
• Participants must spin around the bat 10 times without lifting the bat off the ground, fill their pitchers with water, return to the bucket and dump the water into the bucket.
• Each team will compete simultaneously, with each team's time stopping once their bucket overflows with water. Event points will be awarded to the four fastest teams.

Participants must fill the pitchers and return to the starting line to empty their pitchers into the bucket. • Make sure to double-check and abide by the bed specifications prior to the day of inspections or the team will be disqualified.

• All Greek Week participants must take every precaution to ensure the safety of all other participants and bystanders. Any drastically unsafe behavior may result in a 5-point deduction and in extreme cases disqualified from the event. Greek Week Central has the authority to make decisions on this behavior. This includes, but is not limited to, hanging on and being dragged by the bed racer and crossing the street while the beds are being raced.
Spirit events are to be a positive reflection of the Sorority and Fraternity Community’s dedication to creating camaraderie between members of the Community through participation in Team Banners, Team Flags, the Karaoke competition, and The Greek Race competition.

Information:
There will be 75 remaining spirit points that can be earned throughout different events.

Tournaments (40 points):
Each team has the opportunity to earn 10 spirit points each tournament. These points will be awarded based on crowd excitement, crowd themes, and sportsmanship. Unsportsmanlike conduct will result in a warning or removal from the tournament until a viable substitution opportunity occurs. A second offense, or extreme first offense, will result in the loss of the 10 spirit points for that tournament. The final decision will be based on the discretion of the Executive Directors on all deductions and value of each deduction.

Food on Campus (5 points):
5 points will be earned if 50% of your team purchases a food on campus button.

Special Olympics Athlete Gift (5 points):
5 points will be earned if your team provides a thoughtful gift for your athlete by the end of Greek Week. Points will be awarded once photo proof has been sent to gwcspirit@iastate.edu.

Overall Spirit (25 points):
Teams will have the opportunity throughout the week to earn 25 additional spirit points. These points will be awarded at the discretion of the Spirit Directors. Examples of opportunities for teams to earn these points include hype videos, attendance at events throughout the week, and appearance of flag at events.
A handcrafted, one-of-a-kind Spirit Stick will be presented to the team that most embodies the spirit of Greek Week and the Five Values of the Sorority and Fraternity Community throughout the entire week. The Spirit Stick judging will take into consideration Team Banner quality, team participation and enthusiasm, sportsmanship, team camaraderie, apparel creativity and design, the use and frequency of the Team Flag during Greek Week, and any other spirited activities throughout Greek Week.

*Show us your spirit! Email gwspirit@iastate.edu to submit any proof of spirited activities from your team!*
Keynote

Tuesday, March 28 2022
5:30 - 7:30 PM
CY Stephens Auditorium

Information:
In the past, Greek Week has hosted an educational speaker that speaks directly to the struggles, triumphs, and benefits or sorority and fraternity membership. This year, we wanted to expand this keynote speaker to the Iowa State community. Greek Week Central has invited Alex Sheen, the founder of because I said I would, to speak to the community about making promises, keeping promises, and living a life of integrity.

Regulations:
Members of the sorority and fraternity community will be required to check in for this event for their attendance to be counted towards their team's points. There will be designated check-in stations with Greek Week Central for members. If members choose not to check in to the event, they forfeit their attendance points that go towards their team. Doors will be open at 5:30 PM.

Teams can earn up to 130 points through their members' attendance at the Keynote event. Points will be awarded based on number of attendees relative to the team size. Maximum points will be earned if 50 percent of the team members are in attendance. If less than 50 percent of a team is in attendance, points will be calculated by taking the number in attendance divided by half of the total team. This percentage will be multiplied by the 130 points possible, and that number will be awarded to the team.

EXAMPLE: Team A has 200 total members and 50 members of their team attend the keynote event. The 50 attendees are divided by half of the team's total membership (100). This number is then multiplied by the 130 possible points. 65 points would then be awarded to Team A.

Information:
Greek Week Crew/Captains are required to remain disaffiliated from their chapter and team during the entirety of Greek Week activities.

Any member of the Sorority and Fraternity Community may apply for Greek Week Crew, except for Chapter Co-Chairs. If an individual is interviewed, is selected to be on Greek Week Crew, and they accept the position, ten (10) points per individual member will be given to the team. If an individual is interviewed, is selected to be on Greek Week Crew, but he or she rejects the offer, the individual WILL NOT receive points for their team. This totals to ten (10) points per selected member. Each team may earn a maximum of fifty (50) points for interviews, regardless of the number that apply, are interviewed, or are selected. If every chapter in a team has a member apply for Greek Week Crew, that team will receive 20 additional points. If there are one or more chapters in a team that does not have a member apply for Greek Week Crew, that team will not earn any of the 20 possible points. Including interview points and application points, the maximum points a team can be awarded is 70 points.

Requirements:
The requirements that each member must complete to be awarded the ten points for their team are as follows:

• Attend the Crew Retreat on Sunday, February 6th from 12:00-2:00PM in the Gerdin 0464.
• Attend required weekly Tuesday night meetings or make up any unattended meetings.
• Complete a minimum number of events set for Crew individuals by the directors.
• Be present all day during Olympics and Lip Sync on Saturday, April 2nd.
• Become Food Safe Certified by March 1st.
• Assist in other events (Lip Sync, Community Service/Polar Bear Plunge, Greek Awards Ceremony, Kick-Off events, Spirit events, barricades, etc.).
• Remain disaffiliated from March 27th until the end of the Greek Awards Ceremony.
• Have a minimum 2.5 cumulative GPA.

If a Crew member or Captain fails to meet the requirements (e.g., missing events or meetings), **ALL 10 points will be deducted from the entire team.**
