

Required Attendance at Sorority and Fraternity Leadership Retreat

Whereas the Sorority and Fraternity Leadership Retreat is an opportunity for community leaders to come together; and

Whereas the Sorority and Fraternity Leadership Retreat serves as the primary leadership education opportunity for chapter and community leaders through the Office of Sorority and Fraternity Engagement; and

Whereas the Sorority and Fraternity Community is stronger when each chapter fully participates; and

Whereas the Sorority and Fraternity Leadership Retreat has been consistently held the Thursday, Friday, and Saturday before the start of the spring semester;

Therefore, be it resolved that the absence of a chapter president at the Sorority and Fraternity Leadership Retreat will result in the chapter being placed not in good standing for the remainder of the calendar year; and

Be it further resolved that any excused absences or substitutions for attendance will only be approved by the Assistant Dean of Students and Director of Sorority and Fraternity Engagement through a consistent and equitable process.
